ORDINARY MEMBERSHIP

The Committee grants Ordinary Membership only to those whom it considers to be able, in general terms, to look after themselves and to lead one or two others in all conditions normally encountered on the Scottish hills, without expecting any proficiency in skills requiring the use of ropes. This level of experience will generally be inferred from experience amounting to at least thirty Munros, including at least four in the Cairngorms, and at least ten in winter conditions; but non-Scottish experience will also be recognised. If you wish to apply for Ordinary membership, please summarise your experience below. Please list winter experience first, and be as specific as possible about conditions for winter ascents.
